

Pricelist of UAB „Prime Leasing“

According to legal acts, when driving freight vehicles on motor highways A1–A18, the driver must pay a user's toll or have a document confirming payment of the toll: a vignette in paper or electronic form. More information can be found at: <https://www.keliumokestis.lt/>.

Minimum trip price is the minimum amount payable for the services, which is deducted from the Payment account after unlocking the car or extending the reservation (if the minimum amount is exceeded, the remaining amount due is debited no later than at the end of the trip, and if the minimum amount is not reached – the difference is not returned) – **EUR 2.29**

Additional fees

Trip start fee – additionally applicable to all "pay as you go" trips (not applicable to travel packages) – **EUR 0.5**

Fee for leaving the vehicle in another state (in a zone permitted by CityBee) – **EUR 79**

Fee for leaving the vehicle in a prohibited place (the fee is applied when the vehicle is left in a prohibited place (*where it is forbidden to leave the vehicle under the Road Traffic Rules*) and it is forcibly towed to the car storage lot) – **EUR 140**

Parking Zone fee – a fee the amount of which is provided for on the App is charged for returning or collecting the Vehicle from the Parking Zone territories marked and shown on the App.

Invoice amendment fee: **EUR 5**

Fee for administration of things left behind in the vehicle – **EUR 5**

Administrative fee in case of a violation of the Road Traffic Regulations and related events – **EUR 10**

In cases provided for in the Terms you will also have to cover costs incurred by us in connection with damage caused by you or administration of your debt.

Fines and damages

If you or other persons, for whom you make it possible to use our vehicles, do not follow the Terms, the following fines may be imposed on you, which are deemed our **liquidated damages**:

- for leaving a vehicle (i.e., ending the trip) in such a condition where it cannot be used for further trips (e.g., the vehicle is left in a private lot or a paid parking lot, from which it is not possible to leave without paying for parking; the vehicle is left stranded; the fuel in the tank is not enough to reach the nearest gas station; the vehicle was left loaded with personal belongings; the vehicle was left with a discharged battery; the vehicle is used after confirming that the trip is complete, i.e., you confirmed in the Mobile App that the trip is over, but you stayed in the vehicle and/or continue to use the vehicle or its equipment, etc.): **EUR 70**
- for leaving the vehicle (i.e., ending the trip) without leaving the key in the vehicle, if within 30 min. from informing you about the collection of the key, the key is not returned – **70 EUR**

In case of filling the vehicle tank with a wrong fuel, you will have to compensate us for the loss suffered by us for this reason **up to EUR 600**. See the Terms.

In case the vehicle is damaged **in a traffic accident** through your fault, you will compensate us for the damages suffered due to the traffic accident **up to EUR 600**, in the case a reduced financial responsibility was purchase in the Mobile App – an amount not exceeding **EUR 200**. See the Terms.

However, if the vehicle is damaged during a traffic accident caused by you (or another person for whom you made it possible to use our vehicle) in a non-sober state, participating in sports competitions, or otherwise violating the Terms, you will have to compensate us **for damages in full**. See the Terms.

About other cases of damages, see the Terms.

Debiting of fines and additional fees

We can automatically debit the amount of the fine and/or additional fees indicated in the Pricelist to the payment account linked to your account. They money will be debited to the payment account immediately after a breach is identified, recorded and you are notified about that (via the App or otherwise).

All the above-indicated amounts are net of the VAT, which will be added in the cases and under procedure laid down by applicable legal acts.
