

1. The registration to the Citybee Lab is permitted to persons who are no younger than 18 years old.
2. By completing the registration form, the person agrees to participate in the Citybee Lab, which objective is to organise surveys, testings, and other data collection activities (the **Projects**), within the scope of the Citybee Lab, and invite persons who completed the registration to participate in the Projects.
3. After receiving a completed registration form, the Company has the right to invite the respondent (the **CityBee Lab member**) via e-mail or phone to participate in the specific Projects.
4. The Company has the right to decide on the timing and frequency of personal invitations to the CityBee Lab members to participate in the Projects.
5. The participation in the Projects is voluntary. The Citybee Lab member does not have an obligation to accept the invitation received from the Company.
6. The registration to the Citybee Lab is valid until 15 July 2024 or separate cancellation. All data collected through the registration forms will be permanently deleted on the deadline.
7. The CityBee Lab member can extend his or her participation in the Citybee Lab by one year by consenting to the request sent by the Company due to the deadline.
8. The Citybee Lab member can terminate his or her participation in the CityBee Lab and stop receiving invitations to the Projects at any time by making a personal request at the e-mail address **lab@citybee.it**.
9. With a separate agreement from the CityBee Lab member, the Projects might be recorded, filmed, and/or photographed, depending on the objectives of each Project.
10. The participation in the Projects is unpaid, however, the Company has the right to offer a reward for some Projects.
11. Data collected during the Projects is confidential and used only within the Company.
